

# Petition to Regulate Mixed Martial Arts Competition in New York State

To: **Governor Andrew Cuomo**  
**New York State Capitol**  
**Albany, NY**

We, the undersigned residents, are respectfully making a request to you and the NYS Legislature to regulate and legalize Mixed Martial Arts in New York State.

Mixed Martial Arts is a sport that is recognized and regulated in 45 states across our country, with televised matches that are seen by millions of fans around the world. Bringing professional Mixed Martial Arts to venues all across New York would provide a huge economic benefit to our state's economy. It would also finally allow our local athletes the opportunity to showcase their skills in front a hometown crowd.
