Dear Stephen:

Thank you for your time and effort in organizing Sambo National Championships of 2005 in Madison, New Jersey. I realized perhaps one more time how important it is to make yourself available to this great sport. Surely this kind of a get-together smooths the lines of communications and gives each of us feeling of importance and belonging. It was easy to see that a lot of problems can be quickly solved when there is complete condor in an important setting. I can only say that you can always look back with pride and satisfaction on your participation. You have been a valuable ally and friend.  
Thank you very much for your dedication. You played a major role in making it an outstanding event.

On behalf of USA Sambo Union I would like to wish you and yours the very best.

Cordially
