

To Mr. Stephen Koepfer

Dear Mr. Koepfer,

The directing board of FICW (The International Federation of Combat Wrestling) gladly invites you as its representative for USA, providing you with the rights to organize tournaments and promote the federation on the territory of the USA.

We would be more than happy to work together for the organization of local club, state and national tournaments, with the greater goal of organizing a world championship of Combat Wrestling by the end of year 2015.

This letter provides you with the rights and freedom to officially use our logo and act as president of our USA branch.

We are looking forward to our future cooperation.

Best regards,

Ivaylo Ivanov
(President of FICW)
